Inclusion Criteria

As indicated by our mission statement, the Greensboro Parks & Recreation Department exists to provide professional and diverse leisure opportunities through inclusive programs, facilities, parks and open space, ensuring that Greensboro is a desirable place to work, live, and play.

How do participants qualify for Inclusion Services?

Requests should be made at the time of registration and/or at least two weeks in advance of the start of the camp or program to assure that we have adequate time to develop accommodations and identify appropriate staff to have in place. Please be aware that we do not provide 1:1 services.

Payment Procedure

Each week is \$70 per child unless they qualify for fee assistance. Payment is due the Monday before the week your child will be attending the Summer Day Camp Program. For example, the payment for Week 2 of Camp is due on the Monday of Week 1. Please note, additional fees may apply for field trips.

A full payment of \$70 for the first week you are registering for is due at the time of registration along with a \$10 non-refundable/non-transferable deposit for each additional week.

- Accounts with outstanding balances will not be able to register a child
- Returned checks are charged a \$25.00 service fee. Returned checks will result in all future payments made in cash or money order.
- \$10 deposit fees are non-refundable and non-transferable (see refund policy)

Financial Assistance

The City of Greensboro Parks and Recreation Department provides assistance in select youth programs to help families with financial needs. Anyone interested in applying for financial assistance must fill out the Fee Assistance Application and submit it to the facility director. Applicants will be notified within two weeks from the date the application is completed as to whether or not your family qualifies for financial assistance.

Documents to refer need for financial assistance include:

Refund Policy

The Greensboro Parks and Recreation Department reserves the right to cancel a program at the sole discretion of the department, including when a program's minimum enrollment is not met. In the event of a program cancellation, the department will attempt to provide as much advance notice as possible to all participants. In addition, the department reserves the right to alter schedules, fees, and instructors as necessary. In the event the department cancels a program, registration fees are 100% refundable except in cases when an alternative refund policy has been provided in writing to registrants at the time of registration.

Program withdrawal and refund requests initiated by participants will be processed in accordance with the criteria set forth below. All requests for a refund of program fees must be received by the department in writing. Refund requests are processed according to the guidelines included below and generally take 2-4 weeks to process, with the exception of payments made by check, which may take additional processing time. The refund check will be mailed to the address provided on the written refund request.

- **Prior to Program Start Date:** Fees are fully refundable less a \$10 processing fee per week.
- **After Program Begins:** No refund is available except in extenuating circumstances as determined by the program supervisor.
- **After Program Ends:** No refunds granted.

Sign-In/Sign-Out Procedures

For the safety of our participants, we require the parent/legal guardian to sign their child in and out at the front desk every day they attend our Summer Day Camp Program. The parent/guardian will need to show proof of identification to center staff in order for them to check out their child from the Summer Day Camp Program.

We understand life is full of surprises and the parent/legal guardian may not be able to pick their child up from Summer Day Camp. If the parent/legal guardian is not able to pick their child up, one of the persons listed on the emergency contact list may do so, provided they show proof of photo identification. If your emergency contact information were to change, it is your responsibility, as the parent, to provide the recreation center with the updated information.

Late Pick-up Policy

Parents should make every effort to pick up their children before 6 pm daily. Please consider weather and traffic conditions when making your pick-up arrangements. **If a child is not picked up by 6 pm, a late fee of \$5 will be charged, beginning at 6:01 pm, for every 15 minutes, or portion thereof, you are late. AT 6:30 pm the Greensboro Police will be called to pick up your child.** Parents arriving after 6 pm will be asked to sign a form confirming the late pick up time and recognizing that a late pick up fee will be assessed. If the fee is not paid at the time you pick up your child, the child will not be able to return to the Summer Day Camp Program until the fee is paid.

A maximum of 3 late pickups in a calendar month will result in a one week suspension from the program, and possible termination from the program.

Custody Issues

It is the Center's intent to meet the needs of children, especially when their parents/guardians are experiencing a difficult situation such as a divorce, separation, or remarriage. However, the center cannot legally restrict the non-custodial parent from visiting the child, reviewing the child's records, or picking the child up unless the center has been provided with current legal documents restricting the non-custodial parent from having access to the child. Copies of court documents will be kept in the child's file.

Health/Safety/Medications

The Summer Day Camp staff will not dispense any medication unless the parent or guardian completes a Greensboro Parks and Recreation Center permission to give medicine form. If the child needs to bring medication to the program, it must be in the original prescription bottle. The container should include the prescription on the bottle or a medical prescription if the medication is over the counter. Medication not in its original container, or over the counter medicine without a prescription, will be returned to the parent at the end of the day.

The child is responsible for taking the medication under the supervision of a facility staff member. The member of staff will sign, date and record the time the medication was taken. In case of a medical emergency, we will have the original bottle on hand to give to the EMS.

Child with Illness

Any child that cannot participate in the Summer Day Camp activities due to illness will need to remain at home. Your child will not be able to attend the Summer Day Camp Program if they are not feeling well. If a child vomits for any reason, they must be picked up by a parent/legal guardian or authorized individual. No child may attend Summer Day Camp if they have ringworm, pink eye, flu or any contagious infection. A doctor must treat any contagious

infection; virus or fever. Certain illnesses may require a doctor's note before the child will be allowed to return.

Procedures for Handling Medical Emergencies

In the event of an accident or an illness, every effort will be made by our staff to address the situation and notify the parent/guardian and/or emergency contacts. If a situation requires immediate medical attention, we will call 911 and the child will be transported to the hospital by ambulance.

Fire/Emergency Drills

We conduct fire and emergency evacuation drills regularly. Parents, staff and children will not be made aware of drill dates or times, as this is the most effective way to ensure successful fire and emergency/evacuation plans. During a fire/emergency drill, parents may not sign children into or out of the center. They must wait until the drill has been completed and the children have returned to the building with camp staff.

Parent Code of Conduct

Upon presentation of identification, parents/legal guardians have the right to enter and visit the summer camp facility which their child(ren) is/are receiving care. The law prohibits discrimination of retaliation against any child or parent/legal guardian to exercise their rights to visit.

The law authorizes the person in charge of the summer camp facility to deny access to the parent/legal guardian under the following circumstances:

- The parent/legal guardian is behaving in a way that poses a risk to the children in the facility.
- The adult is a non-custodial parent and the facility has been requested in writing by the custodial parent to not permit access to the non-custodial parent.

Under no circumstances should a parent/legal guardian approach another child other than their own. While in the facility parents are expected to act appropriately by speaking in an appropriate tone and using appropriate language at all times. Any parent who does not behave in this manner will be asked to leave the facility.

Any inappropriate behavior by a parent, including verbal abuse of a child or staff member, or confrontation with a center staff member will not be tolerated.

Parent Grievance Procedure

If you have a grievance regarding the summer camp program, immediately set up an appropriate time to discuss it with the camp director. We want to address any questions or concerns you or your child might have regarding the program. Please encourage your child to speak directly to any staff member in the program about issues they are uncomfortable with, so that we can address them in a timely manner.

Camp Activities

Field Trips

Children will go on field trips on or off-site. An example of an off-site field trip is the Science Center. An example of an on-site field trip is the Mad Science Presentations. Field trip information will be provided to parents in advance and may require children to have extra money for entry to the activity/site. If your child will not be able to attend a field trip, please make other child care arrangements for your child. Attending trips is a privilege. Staff reserves the right to deny a child a field trip if they feel it is unsafe or hazardous for that child to attend the trip or if the child's behavior warrants removal from the field trip.

Swimming

Swimming will be offered as part of the Summer Day Camp Program. Please check with your Summer Camp Director to determine what days your child's group goes swimming. Swim tests are administered by the lifeguard(s) on duty. **Children must wear clothing made of swim suit material to enter the pool. Street clothing such as basketball shorts or cotton t-shirts are**

not allowed in the pool. Swimming is a privilege and staff have the ability to take away swimming from those who fail to follow the rules. If necessary, campers will wear life vests. Sunscreen must be self-administered and lace-up shoes are required.

Field Trip Transportation

ALL children MUST obey the following transportation rules:

1. Children are to be seated with their seatbelt fastened on the vehicle facing forward and listening to staff instructions.
2. When preparing to enter or exit the vehicle, the children are to line up in an orderly fashion to be accounted for.
3. When leaving a vehicle, children must exit the vehicle on the curbside of the road at all times.

The following procedures are followed by City staff when transporting Summer Day Camp participants:

- One or more staff members will carry emergency medical consent forms and emergency contact information for each child.
- Staff members will take attendance of all children that are being transported and will take attendance frequently to account for the presence of all children.
- Only authorized City employees are allowed to operate the vehicles. All authorized drivers must be at least 21 years of age, have a valid driver's license, and must contain a clean driving record.
- Vans and/or buses will be used to transport campers and volunteers. At no time will a private vehicle be used to transport campers or volunteers.

Sleeping Bags and Clothing

We encourage all participants to bring a sleeping bag or a blanket along with a book to read during down time. If a child brings an extra pair of clothes to camp, make sure the child's name is on the tag or place masking tape on the article of clothing with the child's name on it. Clothing should be appropriate for both indoor and outdoor play and may not display offensive material. Children must have closed toed shoes on at all times.

Meals and Food Service

All campers should bring a lunch and afternoon snack to camp the first week of camp. After the first week, breakfast and lunch will be provided at no additional cost. Afternoon snacks should still be brought to camp. Check with your center for a lunch menu. If something will be served that your child cannot or won't eat, you may pack a lunch for your child. Please do not pack anything in your child's lunch that needs to be micro-waved or refrigerated. We suggest campers bring a bottle of water. We have vending machines that campers can buy a drink and a snack for \$.75-\$2.00 per item. Please fill out any allergies your child has on the registration form.

Toys and Electronics

Electronics, cell phones, and gaming devices are not permitted in Summer Day Camp. Greensboro Parks and Recreation is not responsible for damaged, lost or stolen toys that a child brings to camp.

Greensboro Parks and Recreation does not allow any toys that look like or resemble the shape of a weapon. A child is not allowed to bring BB guns, air soft guns, pocket knives, or any item that may cause harm to themselves, other Summer Day Camp participants, staff, or any one in the facility. If the staff discovers that a child is in the possession of a toy that resembles a weapon, the toy will be taken from the child and returned to the parent/legal guardian at the end of the day.

Staff Qualifications

All summer camp counselors are employed by the City of Greensboro. Each counselor has received clearance through a competitive interview process, as well as, drug and background screenings. All camp staff members are American Red Cross First Aid, CPR and AED certified and receive additional training prior to the start of camp.

Parent Evaluations

Each year we want to get the opinion of our camp parents on the successes and challenges of our day camp. Your input is of the utmost importance as we begin the planning process for next summer. Your answers will be anonymous and are used to help improve the programs and services at Camp. Surveys will be sent electronically.
